“ *Trav I just can't believe you are gone! You are leaving such a void at store 5761. I am going to miss those big bear hugs. I hadn't had one in a few weeks and I really wish I had just one more. Rest In Peace!*

“ *This is really a hard one for me, I've know Travis since birth. I used to babysit him and boy the good times we shared and to know that he's entered into eternal rest is beyond belief. Daisy and Curtis, I did see Travis this past summer and I'm so glad I did. I truly loved him. May God comfort you always as you remember the good times you shared with Travis. Love you both!*
