“ *Family, I don't know what to say... I'm in shock. I just found out. You are in my prayers!*

My favorite memory of my big cousin. Growing up on Binder, I got in some serious trouble (broke a window) and tried to run and hide under my bed from my mother, Betty. She called for backup from Revere. Here comes Tyrone. The big-hearted guy that would do anything for his Auntie Betty. He came and flipped the entire bed over for my mother so she could get to me give me what I deserved.

Wasn't funny at the time but, Tyrone and I laughed so hard about that incident when I was much older.

Much Love Family. Rest In Power Tyrone!
