“ What can I say about my Sista from another Mother (Mrs. Taylor, Valda's Mom)? "It's been a Journey Val", Forty-Six + years. A full time occupation of a Strong Habitual Inclination in two People to Promote The Good and Happiness of each other and our families. Our "Friendship wasn't about who you've known the longest. It was us walking beside each other on the journey of our lives. Oh what a JOURNEY it has been. We walked into each others lives, and said "I'm here for you," and Proved it." Our children, from toddlers to adults. "Our marriages that, we didn't always get it right." But we made it. "Thanks Val, for looking beyond the broken fence in my yard and admired the flowers in my garden." "Well, Val you wore the tallest high-hill shoes and danced till the party shut-down". "If ever there is tomorrow when we're not talking on the phone or together, on a plane, in the car traveling, I'm able to say, "Valda, You had Grace & Mercy to cover your countless hospital stays, God Had His Hands, on You!, You were braver than you believe, Stronger than you seem and Smarter than you think. "But the most important thing is, Even if we're apart. I'll always have the Memories and The Presence of The Holy Spirit in my Heart. "Go on take that dance with The Heavenly Father." I Thank my God every time I speak your name, Valda". "You Are My Friend". Just Joyce!
