Travis - January 09, 2021 at 11:25 AM

would love to celebrate your 68th birthday missing you very much... need to get in touch with your sister... Im finally letting everyone know you've passed on

Travis - January 09, 2021 at 11:26 AM

“ *Valentina was a most extraordinary person, a brilliant woman who suffered greatly in a world of idiots, me among them. She knew the true nature of world, its history, its real heroes and those who pretend. She had "wise blood." Look at her art. There you will see the love one feels for the mysterious and indefinite, the love this world has misplaced. Rest in peace, Via.*
