“ To the family of Veronica. Just hope you know that you are in our thoughts and prayers and sharing in your sadness as you remember Veronica. We are deeply sorry for your loss. The grave is but a bed you see. In life she lived freely, in love she lived freely. Free to live in the hearts of those she have touched. For nothing loved is ever lost. With heart felt sympathy to the family as we remember a remarkable life so very well lived. Pat and family., (cousin in Canada)
