December 4, 1955 - August 24, 2021

Victoria Renee Welker Rosser was born December 4, 1955 in Detroit, Michigan to Leo E. and Jewell C. Welker. She was the oldest of five children.

After graduating from Mumford High School in 1973, Victoria attended and later graduated from the University of Michigan in Ann Arbor. It was at U of M that she met her husband, George M. Rosser.

“ Growing up across the street from the incredible Welkers, I was always enamored of Vicky. While other big sisters of my friends were terrifying, Vicky was always gentle, kind and patient - friendly and beautiful inside and out. She was quick to laugh and made me feel like family. She was the epitome of Big Sister ----

*At her service it was clear that her essence was felt by all. I am sending love to her family - still my favorite family on Earth --- with respect and the sweetest of memories. May her life be a blessing.*

*With love,  
Amy/Dudie*

“ I will miss my lifelong friend Vicky. Inseparable throughout our time at Mumford high school falling in love with the wrong boys, we laughed together during and after school sharing our new experiences with boys as only silly teenage girls can. Of course she was my maid of honor when I married the right guy, Thomas, finally in the same year she married her right guy, George. We finally got the right men Vicky! . And we both lost them too soon. Over the last few months we laughed over reality TV ... always my girlfriend Vicky. While I'm sad to have lost her, she has left me with a lifetime of friendship, laughter and memories. Love you girl. Laura (Lynne) Hawkins.
