“ Much love to Yvonne and all the family as you celebrate Vince’s life and legacy. I met Vince through his advocacy for children at Kids Kicking Cancer and then introduced him to the Judson Center where he extended his support and love to the cause of assisting abused and neglected children. He has had a loving and positive impact on so many in his lifetime...a true legacy to be proud of... gone too soon. All my love and admiration, Betsy Reich

“ He was a great guy always looking out for the deputies he was voted for to watch over. He helped me while I was a deputy. He always greeted you with a smile and checked on how you were. Thoughts and prayers to his family. R.I.P.

“ Vince was the best person. He was a great detective and a better State Rep. I’ve known him for 30 years. He always did the right thing.

“ I’ve known Vince for almost 18 years, working with him On the Oakland County Commission from my first term and later working with him while he was in the legislature. He was a truly good man who always tried to do the right thing and work for the good of the communities and citizens he served. A good friend, husband and father and a dedicated public servant. Oakland County, our area and our people are better for his having lived and there is no better success in life than that. Bless you Vince.

“ Deeply shocked and sad when I got the news. I met Vince through Charlie Robinson who led me to help out at the polls on Vince's road to State Representative, then to Senator. And on that road Vince became even more than that, he and his wife Vonnie are awesome friends and great neighbors. I pray GOD'S solace, peace and love to his family. Vince will always live on through your memories, thoughts and your love. Praying with and for you, Gina Favors and family.

“ *We were so sorry to learn of the passing of Vincent - may he Rest In Peace! While there are few words one can say to ease the pain you are experiencing, we hope you know that there are many of us who share in your pain and care!*

*Vincent was a family man first! His family meant everything to him. Second, Vincent was a faithful, loyal and dedicated public servant! He was always willing to listen, offer his help and guidance, and if he did not know the answer, he would find someone who did. He worked hard to do the right thing for everyone.*

*Remember all the beautiful times and memories you had together as a family. His love will remain in your heart forever!*
