“ *Big Pop/Vince~ We are so sad that we will never get to hear your calm, caring voice again-although it is one that will never be forgotten. You were always full of love, positivity and encouragement. When we think of you, our thoughts will be filled with nothing but warm memories. You were a gentle giant and Jacob has learned this same beautiful quality from you. You were and always will be a great soul. Until we meet again- rest easy.*

“ Vince, You have left your imprint upon this earthly plain and have broken the chains of cancer's pain. You have moved on to be welcomed with open arms by your Mother and your Father. Now you will find the peace and harmony that awaits you. Your work here was done. Now Rest.
