“ *I write this with great sadness over the loss of an amazing soul, Mrs Adeyemo.*

*You were beautiful in and out. You were wonderful to the family and I, supporting and loving us with your gentle and caring nature.*

*May you rest well in the bosom of the Lord. May the children and family you left behind continue to remember your beautiful spirit and be comforted during this time knowing you are in a better place.*

*May your soul rest in perfect peace. Amen*

“ Beautiful Angel. Mama continue to RIPP and enjoy Paradise. Sleep on and well. I will miss seeing and talking with you. Painful !

Oh death, you're cold , and cruel. We had to notice, no time to bid mama goodbye 🙏

Mama & grandma, you lived well, had fun and touched many lives. Thank you for your endless prayers every time I come to the shop or house to tie my Gele. Thank you for your softness , frankness, gentleness, humbleness, cheerfulness, for being so pure, and for just being you.

No one can step into your shoes and fill the vacuum your exit created. RIPP.

Mama Semilore, God Almighty will continue to comfort you , your children and the entire family and friends. Philomena Kerobo, MI
