“ *She was one of the most intelligent, charming, caring people I've ever known. I spoke of her just the other day and I think of her often. She was such an influence on my life, and such an inspiration.*

“ *I'm another person who's known Mrs. Flounory and her family for much of my entire life. My mom used to drop me off at her house on Penn in the mornings on her way to work so Mrs. Flounory could take me to the nursery school. It was such a delightful surprise to see her after so many years at Robichaud's alumni picnic. 😊 She was a pillar of the community and will be truly missed.*
