“ Dear Lenore, Marcelle, Nicole and Laurence
Walter's passing made me reflect on when I first met him decades ago. I recall being immediately enveloped in a big hug, questioned if there was anyone special in my life, and generally treated like the younger son - which meant a steady flow of teasing. He just had a way of making you feel comfortable and part of the family. Years later, when he met Radha and our two boys, he embraced them with the same ease and love.

We will greatly miss him.

Holding you in light and love during this difficult time.

“ *Uncle Walter,*

Bobby and I are heartbroken that you are no longer with us in the physical realm. It is difficult to put into words what your presence has meant to our lives. You did not just exist in our family — you shaped it. You poured love, laughter, wisdom, and strength into us, and that imprint will live on in our hearts and in the hearts of our children forever.

Your legacy is not confined to memory; it is alive in the way we love, the way we show up for one another, and the stories we will continue to tell about you for generations to come.

We are holding Lenora, Rennie, and all who love you close in prayer, asking for comfort, peace, and healing during this incredibly difficult time.

You will always be loved. You will always be remembered.

*Your loving niece,
Maria Beth Stanfield*
