“ I remember Mr Webb so well at the monthly meetings at the main library for the Fred Hart Williams Genealogy society. He had an awesome smile and checked the members and guests in for our Saturday meetings. A very humble man that was always there for our membership. Rest In Peace Mr Webb. You will truly be missed.

“ Dr. Webb was my dentist since I was a wee child. He was my adult children's first dentist as well. A gentle and patient man, Dr. Webb made my dental experiences growing up pleasant. When I told my daughter the news of his passing she said “I remember his sunny disposition”. May Dr. Webb rest in eternal peace.

“ I wanted to offer my deepest and most sincere condolences to the Family of Dr. Walter Webb. Dr. Webb, in 1994 gave me the honor and privilege to purchase his dental practice, entrusting me with the care of his patients. Over the years, Dr. Webb would stop by and we would sit and talk. I will miss our many conversation from this warm and gentle man.

“ *Dr Webb was my personal dentist for years. After his retirement I would always meet him in the church lobby or book store or wherever he volunteered in our church with a horror story of my newest dentist. Out of sheer frustration, he took my program and wrote a name and number for his personal dentist and friend. I've never been more satisfied. Still grateful to the best dentist ever- <3*
