“ *Wilhemina, I miss you and will always love you. I know LIFE happens but I never thought this Day would come. U just knew you'd be here forever. My heart hurts. Be with us all.*

“ *Grandmama we miss you so much not a day has gone by that we have not thought about you or talked about you. Amiyah (Mookie) have been listening to your voice messages that you left on her phone. This just does not seem real I know we can't control Gods business but I sure wish we had more time to laugh more time to talk. This is a hard one right here Vaughan St. will never be the same. I look up at your house wishing I could see you standing in the window. We love you always and forever rest easy beautiful 🥹 Mookie has gained another guardian Angel👼 keep watching over your baby girl she has been yours since day one.*
