Her passion for cultivating and supporting young minds was contagious. Her energy, kindness, and leadership at our organization will be sorely missed. Sending our deepest condolences to her children, grandchildren, and family during this difficult time.*

“ Willese had a beautiful smile and warm heart. Last August we talked in our RH parking structure for awhile and she shared her desire to care for her former husband while encouraging me to continue to care for my mother. Willese's smile and warm heart will be with me. Enjoy your mother's beautiful memories and may her smile comfort you always. God bless much peace, love, joy!

“ My prayers and love is sent to the family as you walk through this life changing experience. Willese lived on Helen Street two doors down from our family. Jerry Lynn Jenkins, Willese sister, was always there. We had fun as kids and Willese went forward to be well educated, a bright light and a wonderful person. You are loved ❤️

Condolences to all our family! It's so hard when someone so special, as close as a sister is called home. The sorrow and grief from their passing shakes us to the core! Even with all the wonderful memories of past times together, we're all still heartbroken becuz u slipped away so suddenly. At the same time, I rejoice becuz I know where u are! Ur resting in the arms of Jesus which is the goal of every saint of God!! So take your rest sweet Wesee! It'll never be the same without u but our God will comfort us and get us through this. One day we'll think about how good God was in loaning u to us for a time and remember how blessed we are to have lived well, loved and enjoyed family and lifelong friends well for most of our lives. Blessed!! God is truly our strength so I'm praying that in time we'll allow Him to heal our hearts and restore our joy.
