“ Whenever I've thought of cousin Phelix, I've found myself smiling. 😊 Growing up he was always cheerful & provided a nurturing environment for us kids. We, from Youngstown Ohio, always felt close to our Detroit cousins. My mom & Dollie were first cousins & grew up close.

I heard about cousin Phelix & how close he was with his brothers, but it wasn't until I moved to Kansas as a young adult that I got better understanding. I was fortunate to meet a couple his brothers, & "my cousins" from his side. The Counts family as a group are all caring & nurturing.

Ya see, that's my takeaway from cousin Phelix; he helped model what a man, father, & family should be. I Still have the high school graduation gift they gave me. I didn't fully understand it then; but it was a gift of their investment in me. I Truly feel Blessed they were willing to share themselves with me.

I will continue to keep the family in my Prayers. Know that you are loved. Phelix & the family have touched & developed many. I believe it's appropriate to say, Servant Well Done. 🙏😊❤️

“ *What a beautiful long life. Condolences to his family. I saw this while looking for someone else's funeral information. He was my math teacher at Jefferson Junior High School in Pontiac in 1965-68.*
