“ In life, those of us who follow the path of Christianity believe that we are to emulate Christ here on earth, walk in His ways, live as He lived, and love as Christ loved. There will never be another Christ, no one as perfect as He. Yet, if you're blessed, as many of us are, you will encounter rare people who walk this earth and live a life whereas you have no doubt that the love of Christ dwells within them, and their desire is to be a servant of mankind. At least 17 verses in the Bible relate Jesus as a Rock of some form. In fact, Jesus Himself calls an unlikely man by the name of Peter a "rock." Donna, William Jr., Brennan, Francheska, Darren, the Greene and Crowell Family have been blessed for decades to be given a "rock" from God, that rock is Bill. Bill was often considered a "jewel," sometimes a soft stone, but nothing less than a mountain of a man. William Everett Greene, Sr., "Bill" to those of us who knew him well, like a mountain, had a firm foundation whose base spanned many states. William offered himself as a place where people could come and just rest. He was massive enough that he could always share a piece of himself without ever losing the greatness of his stature. Like a mountain, around each bend there was life, vibrancy, and a reason for hope, a reason for laughter, and a reflective view that left no doubt that you were loved by one of God's finest. We can never think of Bill as being absent from this earth, for his greatness, the power of his loving Spirit will be a constant that God knew each of us would need, and He was gracious to give each of us a piece of His creation. "Bill," by definition can be described as a beautiful example of a loving husband, a caring father, a supportive brother, a genuine friend, and unquestionably a servant of Christ. Bill, is loved and cherished by both The Father and each of us whose life he touched. Thank you Bill, for living out your purpose. May God continue to comfort, guide, and bless Donna, all of their children, and Bill's family. I thank God that Bill chose to be my brother. My words are inadequate to express the depth of love in my heart for him. All I can say is, "Thank You God, for giving us Bill."

“ To my Cousin Donna and family, my sincere condolences to you and the family. May God continue to comfort and strengthen you all today and days ahead. I enjoyed when my mother (Cousin Lorraine "Rene") and I visited you all and the stories Cousin Brother shared. Cousin Brother (as we called him) will be missed dearly. Continue to be strong family and please let us know if you need anything. Love always- Cheryl Parker

“ Donna, Will, Rionne & Family! My heart hurts for you. While I only knew Bill for a short while, I'll never forget the constant smile on his face, the way he loved to putz in the yard/circle, and the love he had for you, Donna. I was so looking forward to this season, but now there will be a big piece missing. Hugs to you all. Karol Gee (Sandy Pines)
