“ Prayers and condolences to the King Family. Mr. King was one of my favorite teachers at Inkster High School during the '60's. He taught biology and after retirement he continued to stay in touch with my class, attending one of our class reunions. May God continue to comfort and strengthen the family. 🙏

“ Mr. King was my high school Biology teacher at Inkster High School in the 1960's. Over the years, we keep in touch with each other. He was always an encouraging and inspiring man, full of wisdom and understand of others. Whenever we visit my family in Inkster, we always made a point of contacting Mr. King. I always call him on Father's Day. So, when I called this Father's Day 2022, we learned of his passing. I will miss the phone calls from him. To God be the Glory!!! Rest well my friend. Love you forever.
