*Wow! I'm at a loss for words, I just wanna say my condolences too his wife, children, and William's entire family, I'm very shock too learn of William's passing it's crazy because you ran across my mind and I just wanted too say hello and too see how you were doing and too go too your fb page and too see this broke my heart the last time I saw you was the summer of 2018 and it was a brief moment and we laughed and went out separate ways. You, Aaron, and Norman were my college buddies at Highland Park Community College year's ago and we had blast those year's, we all had so many fun and funny moment's. You rest easy my friend I will spread this sad news too our college buddies because I'm sure they don't know because we hadn't seen one another in year's 😞😞*
