“ Deepest sympathy to the family of Mr. Smith. We became acquainted with him some years ago as he use to walk or bike thru our neighborhood. Being caught up in Covid we lost track of the time and his neighborhood visits. He was so kind and engaging and eager to share any knowledge that you could benefit from. He will be sorely missed . My dad referred to him as "Smitty". RIP "Smitty". May your family feel comfort and strength and cherish the memories of a life well lived.

“ *It with profound sorrow, to see the passing of an old and treasured friend. I was fortunate to have William (Bill), as a friend and to have shared a kindred spirit with him. William, and his wise intellect, will be sorely missed. To Bill's family, as you are keenly aware, he was a kind-hearted and very engaging individual.*

With kind respect,
