“ *I cherished her. I mainly knew her through my great friend, her daughter Madeline. Madeline is a force of nature - talented, real, and loyal. I know that she got these traits from her mother. May she Rest In Peace.*

“ Auntie Willie Mae was very dear to my heart and a great role model.

*My life aspirations was structured to be like her in the field of Nursing, although I never finished school to be a Nurse I still made it my life's passion to care for people in need. When Auntie would set her mind to do something, consider it already done.*

*I can say she was always there when I needed her; and when I didn't know I needed her. If someone could package hope without a bow and make it look so good that would be my Auntie! We had awesome moments in time and every conversation would end with "I love you Baby" will forever be my memory of her until we meet again.*

“ To the family of Willie Mae Little especially Verneta, I have known your mother a long time . We both worked for the Detroit Health Department in the Primary Care Clinics together and kept our friendship up. All I can say is that I loved your mom and valued our friendship. I will miss her. I believe that she is in heaven with your dad. Willie was there for me when my husband died and hopefully I was there for her too. So sorry for your loss . In prayer for you and your family. “ Mrs. Little (Mother Little) a Gifted Nurse, to the patients at Bruce Douglas Health Department but also a nurturer, encourager, with her motherly wit to all the staff! I will miss her calling me saying "Lynwood, It's been awhile since I heard from you, how's your children!" At 98 years young her mind was still Strong and with Loving Wisdom ❤️

*Verneta you and your Family have my CONDOLENCES. I am asking JESUS to do only what HE can do to COMFORT and give you all STRENGTH today and in the days to come. Your Mom was a kind and sweet Woman. I have been knowing you and her for years. When you was injured (accident) Mom took care of you and nursed you back to health with the help of the LORD. You were always there for her and took GREAT care of her. You was a GOOD DAUGHTER. When she was in Henry Ford Hospital(Main) I always checked on her and prayed with her. She would sometime say "LaBrenda pray for me" and I would say Mom I always pray for you. The staff at Henry Ford Hospital said they are praying for you and your Mom was a SWEET LADY. Sister know that I LOVE YOU and I will miss Mom. Thanks for sharing her with me. She lived a long life 98 Years that was a blessing. JESUS GOT YOU. LOVE you more.💕💕💕 Rev.
