“ *MaDear! I've known you since a child. You were my teacher at some point in metropolitan district and our families worked very closely in Christian work, you were a choir member and then we became ministry comrades. You were just what MaDears Are. I will always cherish your life, ministry and kindness. Farewell MaDear! Love Ya* 🍷🎁🌈💖

“ *Our friendship started many, many years ago in the choir at Corinthian Baptist Church in Hamtramck. You were always a godly woman who lived and walked in the Light of the Lord. So many of us had much fun and joy in your presence. Now, at the appointed time, you have fun and joy in the Presence of God. Now we'll miss you, but we'll see you later. My thoughts and prayers to Keenan, Kellie, Frederick, and Kerstina and their respective families. Trust in the Lord with all your heart—just like your mom taught you.*
