“ *Uncle Bill, You we're always a positive influence in my life and I remember this conversation. we had right before i graduated high school. I had no clue what i wanted to do, or who i wanted to become. I think we talked for nearly an hour. You told me about the struggles you had in commercial real estate, you told me about your triumphs, but the point of the conversation was that I could be anything and do anything that I wanted, and that has never left me. I love you Uncle Bill, and will miss your hugs and your gentle spirit greatly!*

“ To Linda and the family of Mr. Nabers, we send our condolences. Bill was always a caring and loving person. I first met Bill as a new real-estate agent. Both he and Ms. Judy took me under their wings. Teaching and mentoring me in the business of real estate. They soon adopted me into the family. I will always treasure the time we spent and the many things I learned from him. The times we all had an opportunity to gather and fellowship at family Picnics, fireworks, and just being at work. He will truly be missed.
May God comfort your hearts.

“ Uncle Bill will always hold a special place in my heart. I always looked forward to seeing Aunt Linda & Uncle Bill. He wasn't a big talker but always said just enough. Smooth, lovable family man. Always gave great advice but like in a smooth jazz kind of way. He always made sure he got a laugh or smile out of me no matter the situation. I will always cherish our times together. Praying for Aunt Linda & my cousins strength. May he rest peacefully.

“ My condolences to the family. My first position as a Real Estate Salesperson was at River Pointe Realty. Bill Nabors was the best Broker and poured his heart into each agent. We were like a big family. Because of his wisdom and leadership I developed into the successful, strong and confident Real Estate Professional that I am today. Sincerely submitted by Cheryl Hunter.

“ DAD...is what I called you,not because of any biological relationship but because you embraced me as if I was your own child. While hanging out with Ayesha and being at your home,which I loved to do,you saw an opportunity to be a father to the fatherless giving your love,support and discipline where you saw fit! Your words of encouragement and wisdom to support me and uplift me gave me hope. You made me realize my value and worth. This is something that has impacted my life to this day. I thank you for accepting the assignment and giving a father's love that I will treasure until we see each other again 🙏❤️ Love you, Christine

“ I am praying for all of us. What a tremendous loss this is!!! My heart hurts! We are missing a very caring member of our family. He had so much love in his heart. Love is a verb, and Bill definitely demonstrated how much he cared. When I needed my brother, he and Linda would leave home and drive into town to help his baby sister. He was also a great support to my son, Jelani, who very much looked up to his Uncle Bill. Rest in peace, my Brother Bill. I treasure memories of you. With much love!❤️ Your Sis Gayle

“ Dear Nabers Family,

Bill was truly a treasure to me, individually, as he was the close-in-age brother that my husband Maghan didn't have. I was always grateful for their deep bond. That bond extended to our sons too, and I only wish they'd spent more time around their Uncle Bill-- the absolutely sweetest person. Bill exuded love, patience, genuine interest, and acceptance. He was centered and confident enough to give other people props; he didn't have to soak up all the attention. I loved Bill's laugh; all week, I have been thinking of his good humor. His sense of fun was matched with a grace that signaled he would never overdo it and make anyone ill at ease. Gratitude to have known Bill for so long floods in to keep the sadness at bay, but my heart truly has a crack in it.

I'm standing with you in the joy Bill left, fam. I'm sending all my love and prayers that you feel God, holding you up.

“ *Brother-in-law, Brother, Friend,
I love you and I will miss you. You roared like a lion, however, gentle as a cub. I've known you since I was 7,8 years old and I always knew that there was something about you that was special. You showed us that you only wanted the best for us. You wore your heart on you sleeve and demonstrated so much love and you were the coolest "CAT" that ever came out of Cleveland, Ohio.
You were the Prime Minister in being the head of your family. The director of life for your children, grandchildren, and nieces and nephews. The living example of family for all of us close and a far. Thank you so much for loving my sister and sharing life with her. Linda, my big sister,
I love you!!!!
My deepest, deepest sympathy. I am here for you. I cry for your pain, your loss. I pray for courage, strength, comfort and peace through these times.
I loved Bill more, for loving you and knowing that you two were the best for each other.
Ayesha and Troy, I love ya'll so much and I am just a call away.

“ *Dad-We miss you so much! I’m so grateful that God put you in our lives. You taught me so much, even when you didn’t know you were teaching. You were filled with so much knowledge and wisdom. Anytime you would talk I would just listen, because I knew I would learn something new or something I needed to know. You taught me valuable life lessons, how to take care of my family and how to love and show patience with my wife. Because you always demonstrated these things and never fell short. I’ll miss how hard you loved your family and the care, love and respect you always showed Mom. There were so many things we didn’t get to experience as a family, but the things we were able to experience will be cherished forever. I’ll miss hanging out with you watching the Detroit Lion’s play on Thanksgiving. I’ll miss talk to you about the latest technology. I’ll miss watching you go up to a complete stranger, strike up a conversation and make their day. Because that was who you were. Caring, compassionate, engaging and just full of love. You were the only father I ever knew and the only father I will ever know. I love and miss you so much!*

“ A real brother to me....I could never put into words what our relationship meant to me. You were an example of what a Father, a Brother, and above all - a Brother-in-Law should be like. And to my sister, you have my deepest sympathy and unwavering support. Wishing you peace, comfort, courage, and lots of love at this time of sorrow. My heart goes out to you at this difficult time. Bill would expect me to be here for you, no matter what. He taught me that. With the way he treated me, he taught me how to be your brother. I loved him like my brother. God is either everything, or he is nothing. Loving you both, so deeply.

“ Loved William. He was the best brother-in-law ever. So many memories to be shared. The Askew & Hightower family loved “Uncle Bill”. If you needed him for anything, he was there. Love to my sister Linda, Ayesha and Troy and all my nieces and nephews. William will be truly missed. ❤️

“ I am devastated to learn of Mr. Nabors transition. I don't if the words exist to explain how much of an impact he (and his wife) have made on me. I'm so fortunate that our paths were able to cross. The love I have for the Nabors is timeless. Praying for the entire family.
