“ *Willie’s vision, steadfast approach and unique sense of humor gave us energy and encouragement to promote “a greater Grambling” through the work of our alumni chapter, students and friends. We commend our brother and fellow alumnus for his dedication, loyalty and generous support to our alumni chapter for his more than twenty- five (25) years of service over the years as a Life Member and staunch scholarship supporter.*

“ Back when Mr. Payne was Mayor of Pontiac, I was reading the newspaper on a Sunday morning when the phone rang. I saw the caller I.D. said Payne but i didn't really pay attention. The caller asked , Is this Trinity Baptist Church? At that moment I realized I had just gotten a call from the Mayor. I replied, No, is this the Mayor? He was silent for just a second then said, yes it is. I told him my name and said I couldnt wait to tell the guys at work that the Mayor called me at home. We both laughed and he said to make sure I told them to vote for him.
