“ *Davis Family,
Praying your strength during this difficult time. Ms. Evie and my aunt Barbara Cohen worked together at the IRS for years. They were good friends. My father passed last year and she came to the service. Such a sweet funny lady. She had me laughing at the funeral. She was hilarious and genuine! I am devastated that she is no longer here. I will miss her. So glad that I had the chance to see and speak to her.*

“ To The Davis Family, I was Evie friend for a long time. We would always do lunch, dinner, shopping, go to the casino, Fast Freddie's class so much. Evie was my rock, I would bounce everything on her, she had great advice. She called me a few weeks ago, and I am a shamed because I didn't realize how and what difference a day make. We started a business and my hours were crazy, and it has been busy, but not that busy, I will never do this again were I cant stop what I'm doing to check on my friends and family because you never know what is going on with them or if you can help them in any way possible. Evie I love you more than words can say, I know your in a better place but I will miss you terribly.
