“ *I met Yvonne Melisizwe when I was hired in 1979 to work at the Downtown campus of WCCC in the LRC. At that time Yvonne was at the Greenfield campus. She was always professional, thoughtful and caring. I remember her coming to my home to drop off a baby gift after I had my son. Yvonne was a person who showed interest in students and staff. Yvonne you've earned your wings by using your talents from God.*

“ *I met Yvonne @ the Nativity Center of WCCC. She hired me and was my first supervisor. Always happy with a smile on her face. She taught me how to work with students and to always give your best. Truly she will be missed. Rest now ... your work is done.*

“ 55 years of love, patience, guidance and support. She always told me I wasn't born under her heart but of her heart. She was always a mom to me from the day I came home to Burns from the adoption agency. No one in life showed me the support, love or kindness like mom. When I felt lost she talked to me and guided me. I can remember being 3 and her words were with love and patience. I admired how she took care of her family. How you saw the love from her towards grandma and gramps. They always treated me like there child. Her loving way of explaining things has always been on my mind no matter what has transpired in my life. Mom and her family and Bernard have always been my model of what a family is. To me I drempt of having a family some day like them. Bernard always made me feel like I had a big brother. Then Willium came along when we were teenagers, and I felt like I had a little brother and I was so excited. I couldn't wait to see his smiling face every day and get his hugs. She became the mom who took all the negative words away, she guided me through such troubled waters no one can even imagine. She was my only normalcy and grounded me in life. She was my angel in life. I was blessed to have her teach me to keep going. No one in life has ever made me feel loved in life like she did. I clung on to her as a mom. She wouldn't let me do for her as much as I wanted. But I understood. When we would talk even when she could barely talk I would just say I just wanted to remind her I loved her and if she ever wanted me to do anything for her I would. I may not be seen as family but she will always be my mom. God gained another Angel that fought through her life to do the best she could. Now she has earned her wings. I pray for you all to have peace. Love, Nikki

I have had the pleasure of knowing Mrs. Yvonne Melisizwe for a number of years,heck,I even remember addressing her as Mrs. McGee and also working with her at the Eastern Campus of WCCCD.

Mrs. Melisizwe was a very patient individual who spoke in measured tones and had the ability to make you feel like you've been heard. Mrs. Melisizwe was a kind hearted person who gave of herself for Students and worked tirelessly to secure recognition and scholarships for students, many of them whom came from difficult circumstances and were determined to make something of themselves. She loved the challenge...

Chaos could be surronding the Student Services Area and Mrs. Melisizwe many times was the calm in the eye of the storm. To Bernard and William, you both are in my thoughts and prayers and know that your Mom was loved, respected and cherished....
